

Tuition Assistance for Summer Camp

Project Oceanology is committed to making our summer camp experience accessible to families with financial need. Each year, we partner with grantors, community organizations, and private donors to help reduce tuition costs for eligible campers.

Current Eligibility

Tuition assistance is currently available for families residing in the following Connecticut towns: ***East Lyme, Groton, Ledyard, Lyme, Montville, New London, North Stonington, Old Lyme, Salem, Stonington, and Waterford.***

How Tuition Assistance Works

1. **Submit a camp application** for your child with a 10% deposit.
 - The deposit is refundable if assistance is not available or not sufficient for your child to attend.
2. **Submit a tuition assistance application** after completing the camp application.
3. **Receive notification by email** with the amount of assistance we can provide.

Tuition Assistance Application

Expanding Support for More Campers

We continue to pursue additional funding to extend tuition assistance to more Connecticut communities and out-of-state campers.

To stay informed, we encourage you to:

- Check our [website](#) monthly
- Sign up for [email notifications](#)
- Follow us on social media: [Facebook](#), [Instagram](#), and [LinkedIn](#)

You may submit a tuition assistance application at any time. Applications will be reviewed if and when funding becomes available for your area.
